The time period for reply, if any, is set in the attached communication.

Notice of the Office communication was sent electronically on above-indicated "Notification Date" to the following e-mail address(es):

Response to Amendment

The reply filed on June 19, 2008 is not fully responsive to the prior Office action because of the following omission(s) or matter(s):

The remarks do not point out why claims 18-31 are patentable in view of the prior art of record as required by 37 C.F.R. 1.111(b). Since the above-mentioned reply appears to be *bona fide*, applicant is given a time period of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. Extensions of this time period may be granted under 37 C.F.R. 1.136(a).

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
